DA CONFERMA / FROM CONFIRMATION

Un intreccio di **filamenti in PVC riciclabile al 100%**, compattati in uno **spessore di 14 mm**, crea un fondo elastico che assume una funzione antifatica. Il tappeto **Twist** è **personalizzabile** in grafica e dimensioni, è **drenante** e facilmente lavabile con acqua. La sua struttura a ricciolo **trattiene lo sporco**. Adatto a vari ambienti, sia per uso interno che esterno.

A weave of **100% recyclable PVC filaments**, compacted into a thickness of 14 mm, creates an elastic bottom that takes on an anti-fatigue function. The Twist mat is customizable in graphics and dimensions, is draining and easily washable with water. Its curled structure retains dirt. Suitable for various environments, both indoor and outdoor use
